or a Liberal terms made with this who desire to advertise for three, six or welve months. Marriage notices and Obitugries chared for at allvertisling rates.

"Henceforth, all Legal Advertisements, of County Interest, whether notices or others, will be published for the beacht of our reader's Whether they are paid for or not.

Mational Democratic Nominations

FOR PRESIDENT: HORACE GREELEY. OF NEW YORK. ... FOR VICE-PRESIDENT: B. GRATZ BROWN, to souslave OF MISSOURI.

Ex. Auditor, Fdwin F. Gary is out in a second letter under date of October 23d in which the following statements occur that he held on to his office until !- we ejected by the Governor, with a view "t add one more proof to the fact that this people have no right to indiscriminately link the word theif with the name of him whom they are pleased to term carpet bagger;" and "as to the men who made me what the Union terms liberal offers. I will say that feelings of a personal na thre make me reluctant to point out the at men," med again titying it as iti

www.widerstood, from the tenor of Mr Gary's first letter, that his stand was taken in behalf of South Carolina and not carpet baggery to establish, the honesty of which tribe it would take a life quaintance, which God forbid, seve long sacrifice of many Garys howsoever honest they might be. But, for whatever women, suggest themselves as more, purpose this honest stand may have been available methods. We bope to see a taken against villany, are we to under dance every year. stand that loss of office has aroused personal feelings in the Ex Auditor which prevent him from carrying out the war, to the exposure of villains individually to the just sensure of honest men? Can Mr Gary claim at the hands of South Carolina the credit of honesty, while stating that he knows one or more rascals, from exporing whom he refrains through "feel-

We were pleased at Mr Gary's first move and hope sincerely that he will car-Fy out his good work for the benefit of the State; while he will in that way (by which he can alone do it) establish his own charater as an honest man. We would like to have all dishonest workers spotted, so please let is have their names Mr. Gary.

We were very much pleasad at the pleasant bull which came off at the close proachful wink at him, and showed him the "coupling." Thought there must have ter. It was against the rules for any The mailed hand begins to press heavipleasant and there was a very full attendance of ple sant and pretty young ladies. The ball passed off well and every body who attended seemed to have gotten the pleasure which they were in pursuit of. The great success of this effort leads us to of no great importance first, and so going ing heard such accounts of the splentor but was kept on duty all the time," It tor and his son, who were from home. express the hope that i. Fair Ball will be an annual Institution.

We never could aunderstand the oppo-

lady friends turning up their heefs in the hougey, however. I then took a turn at peeped through a little glass door, which Benjamin Llos air to see which one define Fortiline would favor with our choice. Cards encourage and foster a dangerous taste for gambling as do every other parlor game we ever saw, unless it be conversational cards. which are simply absurd.

conversation and reading are the most improving of all constant domestic emplayments: but even if it were not the extra breed, because such a statement etables and fruits, all apparently fit for on fair days, or Sundays, or week days. ease that nature requires occasional res. pite in variety, yet such variety should be here to take off premiums this time.
